INTRODUCTION

The Tennessee Higher Education Commission presents the thirteenth annual **STATISTICAL ABSTRACT OF HIGHER EDUCATION IN TENNESSEE.** This abstract covers a broad quantitative range of higher education activities in the state ranging from enrollments and degrees conferred to complex analyses of the flow of student transfers among public institutions. This wide range of information should be useful to decision makers who are involved in planning for higher education's future and to state agencies and other concerned organizations and individuals.

The data were compiled by the Commission from information supplied by institutions, higher education governing boards, the Southern Regional Education Board, the Tennessee Council of Private Colleges, and the Tennessee Student Assistance Corporation.

Special appreciation is extended to officials in the public and private institutions and agencies whose assistance and cooperation have been invaluable in the production of this Abstract.

Arliss L. Roaden
Executive Director

NOTES

Diversity among institutions and changes that take place within a higher education system create comparability and procedural problems in compiling statistical data. The notes below reflect such problems for certain programs and institutions.

The University of Tennessee at Nashville became part of Tennessee State University (TSU downtown) in the State Board of Regents system on July 1, 1979. For ease in reporting, this abstract reports data on the downtown campus prior to Fall 1979 as part of the UT System and as of Fall 1979 as part of the Regents System. This factor should be recognized relative to financial and enrollment changes at both systems.

Nashville State Technical Institute, State Technical Institute at Memphis, and State Technical Institute at Knoxville began reporting student and institutional data to the Commission in Fall 1977. Tri-Cities State Technical Institute began reporting in Fall 1978. Prior to 1978, technical institutes utilized a different methodology in the collection of student data, and this factor should be recognized in making 1977-78 comparisons.

The Postsecondary Area Vocational-Technical Schools became a part of the State Board of Regents System effective July 1, 1983. Reporting of detailed data was implemented on July 1, 1984.

The State Area Vocational-Technical School at Chattanooga was merged with Chattanooga State Community College on July 1, 1981. The Fall 1981 headcount enrollment at SAVTSC was 641; however, these students are not reported in this abstract because only degree credit students and graduates are included.

George Peabody College for Teachers (George Peabody) merged with Vanderbilt University on July 1, 1979. To provide consistent 1978-79 comparisons, Fall 1978 enrollment for George Peabody was reported with Fall 1978 enrollment for Vanderbilt.

Because the College of Veterinary Medicine is funded as a separate line item in the budget, it is not included with UT Knoxville in State Appropriations (Table 46), Unrestricted Expenditures (Table 47), and Capital Outlay Appropriations (Table 51). Enrollment is, however, included with UT Knoxville.

The University of Tennessee, Memphis and ETSU College of Medicine use procedures which are different from those used by other institutions in reporting part-time, full-time, FTE, and first-time freshman enrollment. Thus, such data are excluded from this abstract for these units.

The University of Tennessee Space Institute is a special center of the University of Tennessee, Knoxville, and in 1976 the Institute became a separate line item in the budget. The facility is treated as a separate institution in this publication.

Southwestern College changed its name to Rhodes College effective July 1, 1984.

University of Tennessee Center for Health Sciences changed its name to University of Tennessee, Memphis effective September 1985.

Scarritt College and Tennessee Temple University are no longer members of the Tennessee Council of Private College and therefore 1984-87 data are not available.

DEFINITION OF TERMS

AUXILIARY ENTERPRISE: Is an entity that exists to furnish goods or services to students, faculty, or staff, and that charges a fee directly related to, although not necessary equal to, the cost of the goods or services (essentially self-supporting). Examples include residence halls, food services, college stores, parking lots, etc.

CENSUS DATE: Is the date on which all degree credit headcount and full-time equated enrollment reports are generated. For all Tennessee public institutions the census date is the 14th calendar day from the beginning of classes, including the day on which classes begin.

DEGREE CREDIT: Is credit which the institution designates as regular, occupational, certificate, extension, or co-op.

DEGREE CREDIT HEADCOUNT ENROLLMENT: Is the sum of full-time and part-time student enrollments. All tables in this abstract which refer to fall headcounts show degree credit headcount enrollment.

FULL-TIME EQUATED (FTE) ENROLLMENT: If the institution is a university, FTE enrollment is the sum of the FTE undergraduate and FTE graduate/professional enrollments. If the institution is a community college or technical institute, the FTE enrollment is the total number of degree credits taken by all students, divided by 15.

FTE GRADUATE/PROFESSIONAL ENROLLMENT: Is the total number of degree credits taken by graduate/professional students, divided by 12.

FTE UNDERGRADUATE ENROLLMENT: Is the total number of credits taken by undergraduate students, divided by 15.

FULL-TIME STUDENT: Is a student who is enrolled for 12 or more hours of degree credit.

FULL-TIME STUDENT ENROLLMENT: Is the number of full-time students enrolled.

GRADUATE SPECIAL STUDENT: Is a student who holds a Bachelor's or higher degree and is not working toward a degree, and who is not a post-doctoral student.

PART-TIME STUDENT: Is a student who is enrolled for less than 12 hours of degree credit.

PART-TIME STUDENT ENROLLMENT: Is the number of part-time students enrolled.

RESTRICTED CURRENT FUNDS: Consists of those funds expendable for operating purposes but restricted by donors or other outside agencies as to the specific purpose for which they may be expended.

SOUTHERN REGIONAL EDUCATION BOARD: An operating agency of the nation's first interstate compact for higher education, and is a coalition of educators, government officials, and civic leaders interested in advancing knowledge and improving the social and economic life of the South.

UNDERGRADUATE SPECIAL STUDENT: Is a student who does not hold a Bachelor's or advanced degree and who is not working toward a certificate or degree.
